

A PROJECT OF SHAMAYITA MATH

SHAMAYITA MONODEEP RESIDENTIAL PROJECT FOR THE DIFFERENTLY ABLED

Focus on

- Inclusive approach - differently abled included and supported in extended family of Shamayita Math.
- Differently abled children/adults leading a safe, secured and dignified life in a serene peaceful environment.
- Children/youths with ASD residing with their parents in residential flats.
- Shamayita Math to take the responsibility of the differently abled persons after their parents' demise.

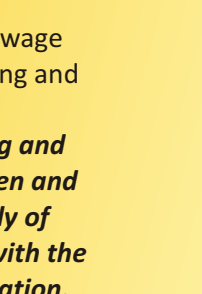

Background

Shamayita Math is a spiritual organization, born out of the dreams of an in born divine personality, a Mahayogi, Sri Sri Prabhuji, in the year 1996. The organization is driven by the philosophy of ultimate empowerment of people through self knowledge and self consciousness. Arousal of self consciousness will enable one to realize the greater purpose of life. The organization in its journey, has undertaken multifarious initiatives for development of the society with the belief that service or *Karma* is the bridge to enable one to come out of his 'Constricted Self' or Smaller I to the 'expanded self' or bigger I.

In its developmental initiatives, Shamayita Math has touched all the aspects of developments of a life -

- Promotion of education through a CBSE affiliated senior secondary residential school.
- Supportive education at primary level for underprivileged students through village level remedial learning centres.

- School for children with autism spectrum disorder.
- Promotion of health through a 35 bedded hospital.
- Skill training centre.
- Integrated rural development and livelihood promotion in farm and non-farm sector.
- Vocational training and entrepreneurship development / wage employment for women in stitching and tailoring.

With the objective of accommodating and including the differently abled children and their families into the extended family of Shamayita Math, integrating them with the different programmes of the organization, giving each of the members (including the parents of the differently abled persons) the opportunity of enjoying life through their participation and involvement in organization's activities and taking lifelong responsibility of the differently abled person, the seed of Mondeep Residential project was planted.

Features of the project

- A Residential apartment of G+4 in one acre campus, land being donated by Shamayita Math.
- Carpet area of 1400 sq. ft for each flat for one family.
- Facility of trained care-givers available 24x7 for taking care of the differently abled children and adults.
- Provision of lift, 24/7 CCTV surveillance.
- Community kitchen and common dining hall.
- 4000 sq.ft area for park and playground, walking path within the campus.
- Splash pool and sensory path and other therapy arrangements.
- The PWDs to be engaged in household work and different vocations, through a 24 hour curriculum, with a proper balance between indoor and outdoor activities so that life becomes interesting and meaningful for them.
- The activities would be designed by the special educators and expert and experienced professionals of Monodeep school, that will improve the mental, physical and social health of the child and improve daily living skills.

Special attraction

- Organization hosting the project is spiritual in nature - the first of its kind in Eastern India to host a project of residential accommodation for the differently abled.
- The organization is situated away from the din and bustle of the city, in a calm serene, peaceful environment, in the lap of nature with abundance of greenery, and exposure to nature which provides motor-sensory, emotional and social benefits to children with ASD.
- Though situated in a rural background of Bankura, campus has all the facilities and amenities of a city; visit to the organization is a refreshing break from the city's chaos.
- Excellent road connectivity 1 hour drive to the Durgapur, 20 minutes drive to district town of Bankura, located only half a kilometre from NH-60.
- Inclusive campus - with the support of hospital (with facility of diagnostic tests, surgery and ambulance support)
- Organization's own agriculture farm - with availability of farm-fresh vegetables, mixed fruit orchard with ample supply of seasonal fruits.
- Scope of getting pleasure for the parents through their engagement in different institutes and activities of the organization.
- Purposeful engagement of the differently abled in the different units and events of the organization, under the able guidance of special educators of Monodeep school.
- Campus with its boarders is inclusive and accommodative from the perspective of inappropriate behaviors, safety concerns, phobias of the differently abled and their issues with the public realm which is otherwise a critical hurdle in the normal society.
- Opportunity for an anxiety free, relaxed mind though regular prayer and meditation in the meditation hall.
- Scope for reading books in the rich library of the organization.
- Bankura, the district having a rich cultural heritage has several places of tourist attraction, which will provide scope for refreshment in the weekends.

Terms and conditions

- Shamayita Math will be the principal organization executing the Mondeep Residential Project.
- One residential apartment will be allocated to each family having a differently abled child/adult.
- Each PWD will be taken care through a care-giver, right from the beginning, who will take care of the child after his/her parents' demise.
- On demise of the parents, Shamayita Math will take the entire responsibility of the differently abled adult and meet the expenses of the differently abled through the personal trust created for the purpose.
- On demise of the child the residential apartment will be reallocated to another family.
- In case the parents are not physically fit to take care of the child with Disability then such responsibility will be taken up by Shamayita Math.
- In case parents are not in the position to take care of their own-self due to health issues/old age etc. then Shamayita Math will take care of the parent provided all expenses of the care giver is borne by the parents.

Financial outline

- The approximate cost of each residential apartment is Rs. 22 lakhs
- Payments may be done in instalments.
- All payments are eligible under section 80G of IT Act.
- Recurring expenses - Rs 35000 per month for a family of 3 heads.

Project will be launched on October 2022
